

# A JOB WELL DONE!

CONRAD WHYNE  
Director, U.S. Army Chemical Materials Agency

THE U.S. ARMY CHEMICAL MATERIALS AGENCY (CMA) has completed its destruction mission of all stockpile chemical agent munitions and items assigned to CMA, as well as declared non-stockpile chemical materiel, at Entry-Into-Force of the Chemical Weapons Convention.

Together Team CMA has made chemical weapons history.

PLEASE PLAN TO JOIN US ON MAY 17<sup>TH</sup> AS WE REFLECT ON THIS EXTRAORDINARY ACCOMPLISHMENT.
