UMCDF Operations

- Four GB-filled ton containers are scheduled to be processed in the next few days.
- Bombs were processed this week; rockets are scheduled to be processed next week.

This week, UMCDF received the Washington Group International President's Award for Safety Excellence for exceeding 1.5 million safe work hours. It is the fourth time in the project's lifetime that it has received the President's Award, the last time being in September 2004. Only 183 such awards have been presented in the company's history. Site employees have now worked 383 days since the last lost-time accident.

*Leading the
Way to a
Safer Future*

The Umatilla Chemical Agent Disposal Facility is safely destroying the stockpile of weapons stored at the Umatilla Chemical Depot while ensuring maximum protection for our workers, our community and our environment.
