- The facility continues its "changeover" mode in preparation to begin the GB projectile campaign, scheduled to begin in late September.

Depot Commander Lt. Col. Donna Rutten hands a Hermiston watermelon to a resident during the 16th annual Mayor's Tailgate Party at Pioneer Square in Portland, Ore., Aug. 4. The depot donates the flatbed truck (inset) that hauls about six tons of locally grown watermelons, cantaloupes and potatoes given to Portland-area residents as a reminder of where their food comes from.

*Leading the
Way to a Safer
Future*

The Umatilla Chemical Agent Disposal Facility is safely destroying the stockpile of weapons stored at the Umatilla Chemical Depot while ensuring maximum protection for our workers, our community and our environment.
