UMATILLA CHEMICAL DEPOT

October 27, 2006

Depot commander sees familiar faces in *Green Book*

Two colleagues of UMCD Commander Lt. Col. Donna Rutten, Lt. Col. Heidi Grimm and UMCDF Site Project Manager Don Barclay, were featured in the Association of the United States Army (AUSA) 2006-07 "Green Book." The "Green Book" annually recognizes Army winners in a multitude of categories.

Lt. Col. Grimm, a world-class athlete, was recognized for defending the U.S. military women's crown in the 2005 Ironman World Championships, which coincidentally she won again last weekend. She is currently in the Army World Class Athlete program to compete for a position with the U.S. Olympic team in the triathlon.

Barclay was recognized for receiving the Department of the Army Decoration for Exceptional Civilian Service Award at the Pentagon on March 29.

Both are pictured above during Grimm's visit to the depot this summer.

"It's great to see good colleagues recognized for their successful efforts," said Lt. Col. Rutten.

During Lt. Col. Grimm's ride on the depot, Mr. Barclay did manage to accompany her for 50 of her 80 mile ride.

UMCDF Highlights

- It has been 110 days since the last recordable injury occurred.
- Projectile processing for the week (see table below) was the second-highest total since the campaign began on Sept. 28.

Umatilla Chemical Agent Disposal Facility Processing

(Oct. 19 - 26, 2006)

Total number 8-inch GB-filled projectiles processed this period	1,285
Total number 8-inch GB-filled projectiles processed to date	3,654
Percentage of total GB projectiles processed to date	5.9
Total pounds of GB chemical agent destroyed this period	26,350
Nominal tons of GB chemical agent destroyed to date	783.14
Percentage of total agent tons destroyed	21.07

UMCDF Milestones

- **Sept. 28, 2006:** Began GB M426 8-inch projectile campaign.
- **Aug. 9, 2006:** Completed GB M55 rocket campaign.
