Wednesday, May 9, PBCDF achieved 9 million hours without a lost-time injury that resulted in a day away from work. This site milestone was accomplished by Washington Group International employees. Thursday, May 10, the Arkansas Department of Environmental Quality approved a modification to the site's Deactivation Furnace System VX Agent Trial Burn Plan. Agent Trial Burns are a series of tests designed to measure the environmental performance of the furnace systems.

PBCDF Milestone Dates:

- PBA Chemical Weapons Stockpile Storage began in 1945
- Construction began in 1999
- Construction complete in 2002
- Testing and Training complete in 2005
- Disposal Operations began in March 2005
