PBCDF began ramping down for a scheduled maintenance outage on Sunday, December 6. PBCDF continues a safe and compliant mustard disposal operation as well as preventive maintenance and corrective maintenance activities, this week. The site is continuing demolition activities at the former BZ disposal building.

Thursday, December 3, during the regularly scheduled bi-monthly Citizens' Advisory Commission Meeting (CAC) site officials briefed the Commission about transition initiatives as chemical weapons storage and disposal missions are winding down at the Arsenal. Site Officials also hosted a tour of the newly established Transition Office.
